Community Invited to Mini Maker Faire Planning Meeting Wednesday, May 24 at 5:15 p.m.

Pleasant Prairie, WI - May 18, 2017 - You are invited to join us at our first Mini Maker Faire community planning meeting on Wednesday evening, May 24 from 5:15 until 6:30 p.m. The meeting will be held in the Village Hall Auditorium (with parking on the south end of the building) at 9915 39th Avenue.

WHAT IS A MAKER FAIRE?

A Maker Faire is a community-based learning event that brings tech enthusiasts, crafters, educators, tinkerers, hobbyists, engineers, science clubs, authors, artists, students and entrepreneurs together to “show their projects and talk about what they’ve learned.” The event is meant to inspire “everyone to become a maker and connect people with projects in their local community.” It’s an exhibition with opportunities for hands on and do-it-yourself interactions.

The 2017 Pleasant Prairie Mini Makerfaire will take place in the field house at RecPlex on Saturday, November 25 from 10:00 a.m. until 3:00 p.m.

Some areas we’ll need help are:

- Finding and recruiting makers
- Finding and recruiting business and media sponsors
- Marketing/Promotions/Design
- Registration (tickets/check in)
- Operations/logistics
- Concessions (vendor/donations)
- Finding and recruiting volunteers
- Coordinating presentations, demos, workshops

If you have a friend, family member or colleague that might be interested in helping pull this year’s event together, please forward this message along or bring them to the meeting. If you aren’t able to attend the meeting and would still like to help, please send an email with your area of interest/expertise, and we’ll include your name/contact information for that particular committee.

We’re excited to get started and look forward to any help you’re able to provide.
